Helping Hands

Pam Barton 386 235-4347

Helping Hands engages those who are willing to pick up medical, food or other light needs someone in Connect Church might need that they can't get themselves. They are also willing to take/pick up someone to a Dr. visit or other needful appointment. Sometimes there is a need to change a lightbulb or other light duty task to help them with.

Mike Duggan 508 274-2177

This group of men take turns being ready to quietly confront anyone who seems to have a desire to be disruptive or harmful to person or property. You will need some security experience for this one.

Web Administrator

Having more than a basic knowledge of computers is required for this area. This person keeps information updated, records interviews to post and helps us look good to the general public.

Worship

Claudia Horak 239 826-9006

This is our "on stage" personnel for our worship time. They seek out both instrumentalists and vocalists to help engage our gathering congregation in worship. You will be required to meet with Claudia to do an interview that will include an example of your abilities. We aren't looking for musical perfection, but we are expecting a spiritual/biblical base to go with your musical talent.
