Greeters

Al Delucia 706 212-8122
Janice White 858 736-5047
(inside)

We have both inside and outside greeters who love to welcome people to Connect Church. We look for those who like people, have a friendly face and don't mind getting to church 30 minutes early and staying 15-20 minutes after services to be encouraging to those leaving.

Heart 2 Heart Grief Ministry

Pat Holt 614 785-0980

This group meets the 1st & 3rd Wednesday each month to give a voice to their hurting hearts and to encourage each other in their shared grief experiences. They also give advice as to finding assistance for areas that were once provided by someone they lost.

Helping Hands

Pam Barton 386 235-4347

Helping Hands engages those who are willing to pick up medical, food or other light needs someone in Connect Church might need that they can't get themselves. They are also willing to take/pick up someone to a Dr. visit or other needful appointment. Sometimes there is a need to change a lightbulb or other light duty task to help them with.

Media Booth

Barton/Meade Productions

Dave: 386 235-4263

Peter: 516 965-2718

This group learns the audio mixer, computer program, and projections for the services. They attend both worship practices and services. Like working with computers and electronic devices is encouraged.

Prayer Shawl

Pat Holt 614 785-0980

This group gathers monthly to make shawls for those who are experiencing a serious physical, mental, or emotional hurt. They pray over the finished product asking that the person receiving it feels the love of the Lord when they use it, and that they remember that Connect Church loves them too.

Sanctuary Friend

**Theresa Meade
516 965-2722**

This ministry pays particular attention to those who come in alone. They offer to sit with them or connect them with others who come alone so that everyone has a friend at Connect Church.

Security Team

Mike Duggan 508 274-2177

This group of men take turns being ready to quietly confront anyone who seems to have a desire to be disruptive or harmful to person or property. You will need some security experience for this one.

Web Page – (leader needed)

Having more than a basic knowledge of computers is required for this area. This person keeps information updated, records interviews to post and helps us look good to the general public.

Worship

Julie Delucia 706 212-8362

This is our “on stage” personnel for our worship time. They seek out both instrumentalists and vocalists to help engage our gathering congregation in worship.

You will be required to meet with Julie to do an interview that will include an example of your abilities. We aren't looking for musical perfection, but we are expecting a spiritual/biblical base to go with your musical talent.
